

Son of Elvis is Born

Last Updated Friday, 16 March 2007

On August 26th 2006, Sunny Lane had a lovely strong bay colt by Elvstroem! A son of Elvis!

This is the Group 3 winning mare's 6th foal. He is described as a cracking type with a lot of leg under him! Considering Elvstroem's spectacular International multi million dollar career and with Sunny Lane winning over \$500k and a fantastic 3rd in the Hong Kong Vase ... there is no doubt this colt could travel far!
